At this event, we invite Junior and Senior High School Students to participate in a reality based budgeting workshop to teach them about money and to encourage them to stay in school and get a good education.

If you would like to staff a booth at our event, please fill out the attached registration form and make a check payable to: Schenectady BPW, to reserve your table.

We need professionals in the following areas:

- Utilities
- Medical/Dental
- Savings/Investments
- Personal Care
- Travel & Entertainment
- Comment Station/Problem Solving
- Reality Check

The students will be given a career choice. When they arrive they will spin a wheel to find out if they are married or single and if they have children. They will be told their monthly salary and be given a checkbook register. They will visit the bank where they will learn that they don't get to keep their whole paycheck and will be told that they need to deduct for income taxes. They will then visit each booth to spend their paychecks; entering all items in the checkbook register. They will have a choice of housing and transportation. They will then visit the insurance booth to find out what they will spend on homeowners/renters and on car insurance. They will then visit all of the booths and make decisions as if they were in reality. Last year the students came away with knowledge about money that they didn't have before the event.

Booth Reservations are on a First Come – First Served Basis. **Please indicate if you are agreeing to staff the booth.**

Please include a jpeg image of your logo.
